

The Segmented World Book Series

Chronology ***2020 to 2049***

(Version: 11/21)

Introduction

The personal chronology of events that follow are divided into five-year slices covering the period from 2020 to 2049. The global background to this period is provided in the *[Book Series Segmented World Model](#)*.

Cross references to the Book 1 are shown in **green**. Additional events from Books 2 and 3 will be added over time.

Francis Nash

11/21

2020 to 2024

Events from the Segmented World Book Series

- **Allied Answers** (09/06/23) offer a grant to Princeton, to underwrite Methuen's project for, 'at least the next ten years'. **Book 1 (AA-Com File: Preparing to Present)**

- **Nick** (31) and **Lianne** (26) 08/07/23 entertain Methuen and Elizabeth.
Book 1: (AA-Com File: Preparing to Present)
- **Methuen** goes on a West Coast Lecture tour (9/23) arranged by **Allied Answers**.
- **Nick** and **Elizabeth** have a brief affair.
- **Methuen** returns to Princeton in November.

2024

- **USA Politics:** Democrats (Biden-Harris) comfortably re-elected.
- **USA Politics:** Republican vote split by **Unity Party** – providing an alternative Republican candidate to the Trumpicans.
- **Unity Party** under Sam Harding wins seats in Congress; Harding retains his Senate seat as does **McFall**.
- **Lianne** (25) completes course at Columbia and signs a publishing deal.
- **Allied Answers:** Allied Clipper is launched.
- **Lianne** and **Nick** offer are engaged.
- **Nick** describes to **Methuen** the new AA-Com concept.
- **Nick** visits **Methuen** (23/10/24) and discusses Grand Tour to present The Adjusted World. **Book 1 (AA-Com File: Meeting at Study House)**.
- **Nick** on return journey to New York reads the latest draft of the Segmented World and recognises he needs a contingency plan for dealing with it.
- **Other Pryce children:** Jack is born, 11/11/24.

2025 to 2029

Events from the Segmented World Book Series

2025

- **USA Politics:** Biden second term begins, transferring significant powers to VP Harris. Party under strong pressure to from progressive members to redistribute wealth. Republican vote split between New Republican Party (ex-Trumpicans) and centre right **Unity Party** led by Sam Harding.
- **Nick** and **Methuen** on Global Tour to promote Adjusted World (February to October)
- **Nick** and **Methuen** pictured on the Great Wall of China during global tour.
- **Lianne** on promotion tour for her 1st Book - 'well-plotted, psychological thriller'. In Los Angeles (10/25) she sees **Nick** and **Methuen** being grilled by the Foreign Affairs Committee.
- **Allied Answers:** AA-Com II released; bundle package with adapted cell phone; contract with satellite provider and upgraded encrypted software. Begins to be described as the 'safe-internet.'
- **Methuen:** On visit to UK, Methuen is invited to apply for a new professorship at Southampton University.
- **Methuen** and **Elizabeth** privately decide to leave US, citing their wish to raise their growing family in the UK as well as their increasing concern over the divisions in the **USA**.

2026

- **Other Pryce children:** Martin is born, 18/01/26.
- **Nick** announces his support for the new Unity Party (3/26) but takes no role of office. (**AA—Com File: A Day at the Office**)
- **Methuen** resigns his position at Princeton (leaving at the end of the summer term) and announces he has taken a new post as Professor of Sustainable Living at Southampton University beginning in September.
- **Methuen** and **Elizabeth** find Soft Rush, rundown estate in Hampshire UK and move in early summer. AA-II installed in Soft Rush.

- **Nick** (34) marries **Lianne** (27) in late Autumn. **Methuen** and **Elizabeth** fly to Vermont for the wedding.
- **Nick** presents **Lianne** with **Phillips Cay** as a wedding present. **Lianne** observes **Nick** dancing closely with **Elizabeth** at the wedding reception in Nantucket and believes they are having an affair. **Book 1 (AA-Com File: Sailing South (contd.))**
- **Methuen:** *The Segmented World – and how to live in it*, is published in December '26 with a book launch in London.
- **Nick** attends the book launch - without Lianne. Afterwards he gives Methuen a *beta* version of AA-Com III that splits the functions of the 'smart phone' split between earpiece for calls and 'cube' for computer (smart) functions as well as independent 'mast communication capabilities' to satellites and offers **Methuen** financial support for his idea of establishing an example of a sustainable community on the rundown estate of Soft Rush.
- **Nick** secretly initiates a new project to build a dedicated dirigible network array for AA-Com.
- **Unity Party:** Strong performance in Senate elections gaining seats in several states along the Eastern Seaboard, taking seats equally from Republican and Democrat Party.

2027

- **Methuen's** media career in UK begins.
- **Elizabeth** joins a practice in Bentham (local town for Soft Rush).
- **Phillips Cay:** As part of expanding sites for dirigible locations, an AA Associate comes across old mine workings on Main Island. **Nick** confronts his Father who explains the background and the true importance of Main Island.

2028

- **Phillips Cay characters:** **Nick** hires Wallace Adams (ex-Banker and 'lover-of-the-sea') to be GM of the Portland Yard.
- **USA Politics:** New Republican Party narrowly wins the Presidential election. Harding takes 20% of the Presidential vote.
- **Unity Party** consolidate their position as an alternative for traditional Republican and Democrat votes in Senate and Congress elections. Hold the balance of power in both Houses.

2029

- **USA Politics:** Right wing New Republican Party Leader Red Crux (former Trumpican supporter) becomes 48th President of the USA.
- **Nick** becomes a member of Unity Party and is given the task of reorganising the Party.
- **Bliss** is born, 25/7/29.
- **Lianne** flies to UK for **Bliss's** christening. Visits Soft Rush.
- **Methuen's** media fiasco **Book 1 (AA-Com File: '...something nagging away')**
- **SWVRP: Methuen** retreats to his shed in the woods of Soft Rush and starts working on the SWVRP.
- **Elizabeth** starts up the NCC in UK 25/11/29, with widespread Union opposition.
- **Nick** persuades **Lianne** to swap **Phillips Cay** for an emerald necklace.
- **Phillips Cay.** Ownership is transferred to an offshore Allied Answers company without Board notification.
- **Allied Answers:** AA-Com III released. AA-III delivered to Soft Rush.
- **Consilience Foundation and Clapping Lady:** Consilience Foundation fund the construction of a virtual laboratory at Soft Rush, including connecting cable to AA-III.
- **Nick** allows Portland Yard to be used as an operational base and storage location for **Unity Party**.
- **Nick** concerned over the profitability of Allied Livings (Private Retreat construction)

2030 to 2034

Events from the Segmented World Book Series

2030

- **Nick** announces he intends to build a hospitality centre for **Allied Answers** on **Phillips Cay**, which will include a limited number of paying guests who may use the location as a private retreat.
- **Methuen**: New edition of Segmented World released. Becomes the manifesto of the global sustainability ('No-Growth') movement.
- **Nick**: On a business trip to Shanghai Nick identifies a generic business opportunity — building large scale accommodation units in eustatic zones.

2031

- **Phillips Cay**: Wallace Adams moves to Phillips Cay. Construction begins.
- **Nick** invites **Methuen** to Princeton Lectures. They stay at the 'old Essex House' in Central Park and (*referring to his Plan B thoughts in 2024*) mentions he has read the new book and wants to create a large-scale neutral zone.
- **SWVRP**: During his visit to the US, **Methuen** describes the **SWVRP** project to Nick.
- **Allied Answers: Nick** reorganises Allied Livings into three divisions known colloquially as 'Under', 'Over' and 'Inside' to identify solutions for large scale accommodation in flooded (eustatic) zones.

2032

- **USA Politics**: New Republican Party, Red Crux narrowly re-elected as President, after run-off with Harding.
- **SWVRP: Methuen** sends pilot version of the SWVRP to **Nick**.
- **Israeli destruction of the nuclear processing plant at Isfahan** (*page 48, Book 2, Book 1 page 206*)

2033

- **USA Politics:** New Republican Red Crux second term — but no majority in House or Senate.
- **Unity Party** continue to hold balance of power, but reformed, Democrat party increase their seats.
- **Allied Answers:** Long-awaited release of AA-IV coupled with two other announcements.
 - Allied Comms announces an independent dirigible network – starting with a 1000, locally supported, sites.
 - Dirigible Network only accessible through AA-Com IV and new ear, AA Plant.
- **Lianne** reluctantly agrees to wear the new, **Allied Answers** earpiece teleplant.
- **Phillips Cay:** Conversion work completed. Resort opens. Nick's inspection trips to Phillips ends (B2 page 23)
- **SWVRP: Nick** signs an agreement with **Methuen** to commercially develop the program.
- **Allied Answers: Nick** re-focuses the Allied AI group from android to IA (Intelligent Assistant) devices.
- **Methuen** is appointed special adviser to the AI Board responsible for overseeing all **SWVRP** research and development.

2034

- **Phillips Cay: Nick** travels to Phillips Cay shows Wallace the secret of Main Island.
- **Allied Answers:** Dirigible control centre re-located from Nebraska to Pico, Azores

2035 to 2039

Events from the Segmented World Book Series

2035

- **Allied Answers** sign a Joint Venture Agreement with and Chinese companies to carry out Initial Design for three large, floating accommodation units in Beijing Bay, each housing 100,000 people.
- **Phillips Cay:** A dirigible is installed at the south end of Phillips Cay, connecting it to the Dirigible Network.
- **Allied Answers:** 5000 dirigible sites created.
- **USA Politics:** Sam Harding Dies (75) unexpectedly. Harding's son (Tom) (29) takes over as leader of the **Unity Party**.
- **Project 2150: Nick** sets up a secret, special research group, outside Lincoln ('Office-in-the-Muskeg') to develop a plan that would allow **Allied Answers** to survive in a Fully **Segmented World**. **Book 1 (AA-Com Dump File: Sharing a Secret)**
- **Allied Answers: Nick** sets up a second secret, special research group at the 'Office-in-the-Muskeg') to investigate AGI (Artificial General Intelligence) (**Katharina**) **Book 1 (AA-Com Dump File: A Third Voice)**

2036

- **Nick's** Father dies (92)
- **USA Politics:** Erik Gonzalez of the New Democrat Party, campaigning on the need for constitutional reform to create a united country, wins the presidential election and secures the majority of seats in the Senate.
- **Unity Party** under Tom Harding lose seats but still do not increase their seats in either House but still hold the balance of power in Congress.
- **Allied Answers:** AA-Com V released as part of 'bundle package' composed of the latest earpiece AA-Plant, AA-COM V cube and subscription to **SWVRP**. Fast, reliable, private and highly cost competitive.
- **Segmented World (Political):** AA-V excluded from China and Russia (*Segmented Platforms*).

- **Allied Answers:** 10,000 dirigibles now in place - coverage complete on three continents.
- **Allied Answers:** End year, Allied declines to exercise their option to enter the next phase of the Beijing Bay Project.

2037

- **Allied Answers:** The Office-in-the-Muskeg AI team creates AGIM (Artificial General Intelligence Module) (**Katharina**) **Book 1 (AA-COM file: A Meeting in the Muskeg).**
- **USA Politics:** Erik Gonzalez (60), (the 1st US President with Hispanic roots, begins his four-year term and holds secret discussions with Tom Harding (31) over forming a new Coalition Party.
- **Unity Party:** Harding fails to take the Party with him and is replaced by **Ron McFall** (57).
- **Nick** (45) supports **McFall** (Spring), having not been consulted by Harding over the merger talks with Gonzalez.
- **USA Politics:** Harding joins the new Coalition Party; **McFall** takes over as leader of the **Unity Party**.
- **Lianne** meets **McFall** for the first time face-to-face.
- **Segmented World (Economic):** Pension funds suffer significant fall in income due to growing worldwide stagflation. (Teachers' pension fund reduced by 2/3 in UK).
- **Segmented World (Political):** Widespread conflict breaks along the Gulf (Middle East Conflict Zone).

2038

- **Allied Answers:** Hub Tool Box created by AI Special Projects Group to locate the prototype AGI modules (**Katharina**) and specialist IA (Intelligent Assistants)

2039

- **Phillips Cay:** Allied Board approve development of **Phillips Cay** as a self-sufficient community.
- **Project 2150: Nick** (47) decides not to explain the full context of **Phillips Cay** (P2150) to the Allied Board.
- **Allied Answers:** Download of global libraries into the Lincoln HTB begins.

- **Segmented World (Political):** With increasing fragmentation of the EU, senior member states present a new constitution with comprehensive fiscal, social and political integration between member states and a new, tiered voting system. The European Confederation (EUCON) is approved by the majority of member states. UK is invited to join but declines.
- **Segmented World (Political):** NATO replaced by EMA - European Military Alliance. UK becomes a contributing member.

2040 to 2044

Events from the Book Segmented World Series

2040

- **USA Politics:** Gonzalez (Coalition Party) is re-elected President and names Harding as his VP and successor for the '44 election.
- **Unity Party: McFall** gains very few votes in the Presidential election. Unity party loses seats in Senate and balance of power control in Congress.
- **Allied Answers: Nick** initiates a wide-ranging reorganisation of Allied Answers, following the Board's approval of the **Phillips Cay** project and his receipt of the secret **P2150** report.

Living's Department

- takeover Platform technology development for **Phillips Cay Island Concept** Division.
- *Harmony* Division begin to create the **Phillips Cay** Community Plan.

Comms Department

- expansion of global dirigible network
- research on dedicated dirigible communicators using optical transmission.
- launch of a new teleplant technology (exo-cortex)

AI Department

- AI development to assist **Phillips Cay Project** — specialised IA devices.
- **SWVRP**

Special Project Groups (Muskeg Office)

- Construction design for **P2150** (The Hub Commonwealth)
- Development of AGIM (**Katharina**) and HTB

- **Bliss** goes to Public School (same as her brothers).
- **Lianne** expresses her displeasure over **Nick's** association with **McFall**. She stops writing and begins drinking.

2041

- **USA Politics:** Gonzalez second term begins.
- **Unity Party: McFall** undertakes a root and branch reform of the Unity Party.
- **Unity Party: Nick** appointed Chief Spokesperson for Unity Party
- **Allied Answers:** AA-Com VI released improved security and bandwidth.
- **Methuen** distributes free copies of the **SWVRP** (Version 6) to the residents of Sandy Hollow, Hampshire.
- **Allied Answers:** 40,000 dirigibles now give widespread global coverage – but limited installation in Russia and China.
- **Nick's** Mother dies (87).
- **Phillips Cay** conversion begins.

2042

- **Unity Party: McFall** announces **Nick** as his running mate in the '44 Presidential election.
- **Bliss** leaves Public School and begins at local Art College.
- **Bliss** (13) goes to stay with **Nick** and **Lianne** for the summer, in New York.

2043

- **Unity Party** Spring Conference. **Nick** sits next to **McFall** at the top table.
- **McFall** has appointed himself as Chairmen and Party Leader of the **Unity Party**.
- **Nick** questions a **McFall** manager over the use of the **Unity Party** of the secure Portland warehousing but is given assurances it is election related.
- **Lianne** warns **Nick that he is** ' . . . too popular with the grassroots' which will ultimately upset **McFall**.
- **Allied Answers: Nick** signs up Bradley as Chief Technical Officer for Livings.
- **Nick** has the new exo-cortex teleplant fitted.

2044

- **Phillips Cay:** Opening of the new Phillips Cay Resort (May)
- **Phillips Cay:** Bradley meets Belinda at the Opening.
- **Consilience Foundation and the Clapping Lady:** **Nick** (52) meets **Clapping Lady** (64) in the summer who gives Consilience Foundations support for **Project 2150**.
- **USA Politics:** Harding elected President of Coalition Party.
- **Unity Party** loses more seats in House and Senate.
- **Bliss** holidays in New York with **Nick** and **Lianne**.

2045 to 2049

Events from the Book Segmented World Series:

- **Bliss:** Ramon makes contact with *The Coven* and befriends Bliss.
- **USA Politics:** Harding first term begins, as leader of the new Coalition Party.
- **Allied Answers:** Allied Answers Board approves **P2150**, 1Q.
- **World Politics:** Upsurge in fighting in the Middle East Conflict Zone between US and EUCON forces and the military alliance of Russian Federation forces and several Shia-states.
- **Bliss's** first immersion in the SWVRP, 2Q **Book 1: (AA-Com File: Virtually Real)**
- **Allied Answers:** At meeting in Lincoln (2Q) AA Executives (including **Methuen**) hear about the sale of 50% of SWVRP and, for the first time a new project to create a self-sufficient community: The **Phillips Cay** Project.
- **Other Pryce children:** Jack graduates.
- **Bliss's** NY holiday restricted to a week in September.
- **Methuen** resigns from University post (as of end 1Q 2046) to take up a full-time position with the Allied Livings Executive team responsible for the delivery of the **Phillips Cay** Project
- **Phillips Cay:** Belinda and Bradley marry
- **Allied Answers:** ALL-Com VII released together with new exo-cortex teleplant. The most widely sold version to date.
- **Methuen's step-father** Karl Heinrich dies
- **Allied Answers:** Allied Comms moves all research from Lincoln to Pico. Only Allied Ai and Muskeg Office work remain in Lincoln.
- **Lianne:** Through her Father, Lianne meets Harvey Seingold (3Q) to learn about the illegal funding of the **Unity Party** by General Abrasives Corporation.
- **Allied Answers:** Allied announces major Organisational changes in 4Q.

Livings Department takeover:

- takeover a) all aspects of Hub build for **P2150** moved to Island Concept Division based in Faial and Pico; b) Phillips Community Plan

AI Department takeover:

- take over a) the Embodier Programme - giving the virtual self in **SWVRP** a memory; b) development of specialist AI bots and software for **P2150**.

Comms Department takeover:

- delivery of the next generation AA-Com (AVIII)
- Hub Network with HTB (with Hub Dirigible's such as the dirigible over PC) for **P2150**
- begin creating Mind Map for commercial sale to read and communicate thoughts.

Muskeg Office

- exclusively focuses on the developing of AGIM (**Katharina**)

- **USA Politics:** White House garden party debacle at which McFall, accompanied by the leadership of the right-wing Republican Party (former *Trumplicans*), announces the renaming of the **Unity Party** to the **Restoration Party** and the rejection of the Coalition Party's constitutional talks.
- **Nick and Lianne:** Nick and Lianne go to beach house in Nantucket where Lianne reveals the extent of corruption and illegal funding by General Abrasives, of the **Unity Party** under **McFall**.
- **Nick** discovers in the warehousing in Portland huge arms store hidden there by McFall and his supporters.
- **Nick** through government contacts, reveals the corruption and the military intent of the **Restoration Party** to the Harding administration
- **Nick:** Harding agrees to follow a plan created by **Lianne** to expose **McFall** and authorises- over the Xmas/New year break - diversionary tactics to allow the arms to be removed.
- **Phillips Cay:** Nick announces a 'new era' for Phillips Cay and begins weekly calls to Wallace.

2046

- **UK Politics:** A new Governorate structure through the UK is introduced reducing the central power of Westminster and increasing links with EUCON.
- **Nick** meets with Harvey Seingold at his favourite diner on 42nd Street, New York. Harvey agrees to stop funding from GA as part of Lianne's plan.
- **USA Politics:** Working Party for the creation of a new constitution for a Federated States of America (FSA) is agreed, in 1Q, by All-Party Coalition - excluding Restoration Party.
- **Allied Answers:** Memory Monitor devices made commercially available by Allied Answers for those with exo-cortex plants.
- **Restoration Party** holds its Spring Conference which is attended by the right-wing Republican Party (*Trumplicans*). **Nick** is moved to the end of the top table at the **Restoration Party** Spring Conference.
- **Allied Answers:** Lincoln Hub Tool Box created by Muskeg Office containing proto-**Katharina**.
- **Methuen's** Mother dies (1Q).
- **Phillips Cay:** Latest re-engineering of Phillips Cay commences in 1Q.
- **Allied Answers:** Allied Livings Madalena Yard on Pico, Azores, expanded to manufacture Hub infrastructure.
- **Methuen** updates his Personal Profile, ostensibly for the **SWVRP**.
- **Project 2150: Allied Associates** reporting to **Nick**, begin simultaneous negotiations to acquire Hub sites around the world.
- **Lianne and Nick:** Leave USA and travel on the Clipper to the Tilbury docks in 2Q.
- **Nick** donates most of **McFall's** arms, including a large number of robo-soldiers, to the UK government.
- **Nick** and **Lianne** take-up residence in the Westminster Engagement; Nick begins working for Mi5 in Thames House.
- **Restoration Party:** Press expose of illegal funding by GA.
- **Other Pryce children:** Jack marries Rebecca in 2Q.
- **World Politics:** 'Hundred Years Since Nagasaki' anniversary celebrations around the world.
- **Restoration Party** discover arms stored in Portland have been removed in 3Q.

- **Nick** and **Methuen**: Both meet in City restaurant in 4Q for the first time since Nick's arrival in the UK.
- **World Politics**: Restoration of Powers Act invoked in EUCON to avoid internal collapse. Military leadership appointed.

2047

- **Methuen** and **Elizabeth** have exo-cortex teleplants fitted in 1Q.
- **Allied Answers**: Allied Livings move to Pico.
- **Nick** receives death threats beginning in 1Q, from Pro-**McFall** supporters
- **Bliss**: It is agreed to proceed with Intervention Treatment for Bliss, if she is selected.
- **Methuen** and **Elizabeth**, in 2Q, receive beta version of new ALLCOM VIII technology (Elizabeth calls it *SENSCOM due to its wide range of new sensing functions*)
- **Restoration Party: McFall** now orchestrating attacks on **Allied Answers** property in 3Q onwards, with more death threats against **Nick**.
- **Bliss** (3Q) goes to Lady Carolines.

2048

- **USA Politics**: Harding Administration announces in 1Q, plans to re-locate central government to Minneapolis - where the Executive, Legislature and Judiciary will reside CENHQ while Lincoln, Nebraska the government's communication and intelligence, CENCOM, will be centred.
- **Methuen** takes on the role of leading the team writing the **Phillips Cay** Community Plan.
- **Phillips Cay: Nick** closes Phillips Cay for any further guests and introduces a scheme (ATS) to select those that remain long-term.
- **Nick** informs **Lianne** of the move from the UK via PC back to the USA.
- **Allied Answers**: New Hub Tool Box installed on Clipper (*Eagles Nest*)
- **Allied Answers**: All remaining AA Comms, AI and Muskeg staff moved to Pico (Azores), along with Lincoln HTB.
- **Bliss**: Lady Carolines School approves Bliss receiving Intervention Treatment in January 2050.

- **Nick, Lianne, Bliss and Methuen**, all make submissions to allow their Exemplars in the **SWVRP** to be converted to Embodiers.
- **Other Pryce children:** Martin marries Beth.
- **Nick and Methuen:** At City restaurant (4Q), Nick asks Methuen to lead the **Phillips Cay** Project in 2050.
- **Elizabeth** (4Q) resists the idea of going to **Phillips Cay**.
- **USA Politics:** Harding re-elected for a second term.
- **Restoration Party**, now merged with the Republican Party, win seats along the Eastern Seaboard, as the only party opposing the new constitution and the proposed move of government to the centre of the USA.
- **Allied Livings** blocking signals in and out of Phillips (page 27)

2049

- **Allied Answers:** AVIII internally released (1Q); two versions, one commercial one internal (HUBCOM)
 - AA VIII Commercial
 - principally communicate through the Dirigible Network.
 - will not communicate with public internet providers and only very limited satellite systems.
 - has holographic capability, mind map projections, enhanced security and a new data projection capability.
 - AA VIII Private (HUBCOM)
 - has all the above plus many new sensory devices including 'sniffing function'.
 - tunes exclusively into the new Hub Network.
 - communicates with the HTB.
- **Allied Answers:** Widespread reports (1Q) from Allied Associates testing the AVIII of interference with other AA-Com version.
- **USA Politics:** FSA Constitution approved (end 1Q) by all parties except the **Restoration Party**.
- **UK Politics:** UK become full members of the EMA (European Military Alliance)
- **Phillips Cay:** With **Methuen** still prevaricating, Nick invites Bradley Raymonds to lead **Phillips Cay** in 2Q. He also approaches Erik Taylor to join Bradley.

- **Phillips Cay:** Allied Clipper arrives in Falmouth preparing to take **Methuen, Elizabeth, Nick** and **Lianne** to Phillips Cay.
- **Phillips Cay:** In early October, Robert Hofstein, Klaus Meindorf and Woody Fillinstein all admitted under the ATS.
- **Phillips Cay:** Bradley and Belinda Raymonds arrive on 10th November on Phillips Cay.
- **Nick:** **Book 1 (AA-Com File: A Day at the Office)**, 6th December, Westminster Engagement. AGIM (**Katharina**) tested out by Nick.
- **Methuen** interviewed in morning for In Discussion programme. **Book 1 (AA-Com File: The Interview)**
- **Methuen** and **Nick** take lunch in their usual City restaurant to sign the contracts for him to implement the Community Plan on **Phillips Cay** for the next five years.
- **Nick** makes commitments regarding the journey to **Phillips Cay** and the role **Methuen** and **Elizabeth** will play. Two bombs explode above them. **Book 1 (AA-Com File: The Centre Cannot Hold)**
- **Phillips Cay:** RUSSIANS arrive on Phillips on 23rd December.
